Yearly Statutory Audit

A statutory audit is an annual external audit conducted to ensure compliance with laws and regulations. Every company in Singapore is required to undergo a statutory audit unless it qualifies for audit exemption.

Special Purpose Audit

We conduct independent verification of financial data for management and stakeholders in accordance with statutory regulations.

Due Diligence Engagement

We conduct investigations into business performance, liabilities, assets, financial statements, and other relevant subject matters.

Agreed-Upon-Procedures Engagement

We execute pre-agreed procedures and subsequently report our findings to the management

Gross Turnover Audit(GTO Audit)

A GTO Audit is a specialized audit focusing on the retailer's gross turnover. This audit is mandated for retailers operating in large shopping malls. The GTO audit aims to verify the sales amount for the relevant period, which will be submitted to the property management

OUR TEAM
